

Sponsors and Donation Information Proposal

The National Barrel Racing Association is dedicated to promoting sportsmanship, horsemanship and competitive riding skills by participating in timed barrel racing events. We are a National Organization with District groups in each State that compete at a local level to qualify for National shows in our Region which are held in Lexington VA and then the World Show which takes place in Augusta, GA. Most of our members make the trip to Virginia to compete. There have been many of us participate at the World Show in Georgia too.

There are many options on sponsoring one of the members in our District. Below you can see some prices on placing an ad in our booklet which gets distributed at each of our shows throughout the State of Maine. There is no charge for people to pick up these booklets and your company's name will be announced at all of our shows. We also post your name in all of our newsletters. If you purchase a banner it will be hung on the fence of the arena at each of our shows, so your name will be seen at all times! If you don't want an ad but would like to sponsor one of our members you may do that for any amount you choose.
