2017 Show Season, Maine District 2

The National Barrel Horse Association is the largest barrel racing organization in the world. The NBHA revolutionized the barrel racing industry by pioneering the divisional format, which allows riders of all skill levels a chance to win money and prizes in barrel racing.

Our local ME02 district, which includes Washington and Hancock counties, offers riders of all ages and abilities the opportunity to participate in local events and qualify for the World Show in Georgia. We rely on help from sponsors to make our shows possible and offer prize money and awards. Local shows provide our communities with fun, family entertainment and economic growth, while promoting learning, competition, and sportsmanship.
